# Notre Dame School

Good and gracious God

This time of year we think of all the things  
we should be thankful for.

We take a moment to give thanks for the  
blessings you have given us.

Thank you for our friends, our families, for  
laughter, for sunshine, for the gentle rains,  
and the beautiful skies.

May we always see the blessings in our lives  
and take time to appreciate them.

Amen

### *Friendly* TIPS FOR SCHOOL ZONE *Safety*

Set a great example – be a leader, not a follower. Instead of pointing fingers, we want students to join hands and solve school zone safety challenges. We need cyclists, pedestrians and drivers to play it safe, share the road and look out for each other.

**Special Requests for Notre Dame School Classroom Placement  
For the 2017/2018 School Year**

If you wish to provide feedback in regards to your child's class configuration, please request a Class Placement Request Form from the office. Please note that this form is not to request a specific teacher, rather it is to request a particular student combination or to indicate a student that your child does not work well with. The forms are available at the office.

**DEADLINE FOR SUBMISSIONS IS FRIDAY, MAY 12TH to the office.**  
**Requests will not be accepted after this date.**

As in previous school years, you will receive a phone call prior to the first day of school indicating your child's classroom placement.

Thank you for continuing to support Notre Dame School.

## Adult Confirmation Class

Are you an adult Catholic who has never been Confirmed? Then this class is for you!

St. Michael Parish will be holding a series of Tuesday evening sessions for adults who are practicing Catholics and who have already received their First Communion, but who have never received the sacrament of Confirmation.

If you were Confirmed as a child, but would like to learn more about this sacrament, then you are also welcome to attend this class.

Classes will take place on Tuesday evenings at 7:00 pm starting on **Tuesday, May 9, 2017**. Successive classes will be on May 16, May 23, & May 30. Confirmation will be celebrated on Sunday, June 4, 2017 with Bishop Gregory Bittman. The final Confirmation class will be a follow-up on Monday, June , 2017. For more information, please contact

Notre Dame staff and students would like to thank Father Leo, Linda Boire, and the entire parish of St. Michael's Church for welcoming us for our Easter mass on April 28<sup>th</sup>. It is a very special time we look forward to each year!

Thank you PANDA – Parents at Notre Dame Association & NDSC - for the “150 Years of Canada” Family Dance. The school community had an amazing turn out with fun for everyone! We are so pleased to have an active and enthusiastic parent association that strives to continue to help Notre Dame School be the best place for families to be.

### Did you know?

During the spring, it is helpful to send an extra set of clothing in your child's backpack. Puddles love to jump on children while on the playground! Also ensure your child has sunscreen and a hat for sunny days.

## School Dress Code

With the warmer weather approaching, it is essential that we review the dress code for students. This information is also available in the family handbook on our school website.

- ✓ Clothing choices should be made in good taste and err on the side of modesty. This means that **tube tops, halter tops, spaghetti strap tops, belly shirts, muscle shirts, short skirts, short shorts, bandanas and tops with inappropriate slogans are not allowed.**
- ✓ Students are asked to remove hats, caps, and sunglasses inside of the school, except on designated spirit days.
- ✓ Please wear clothes suitable for our Catholic School environment; therefore, clothing displaying skulls and other violent symbols (Call of Duty Game, etc...) will not be permitted.
- ✓ The administration reserves sole discretion on what constitutes appropriate dress in any given case. Students who do not come to school appropriately dressed may be sent home to change or be given an alternative outfit.

**Re: Education Property Tax - Declaration of Separate School Support**

Dear Catholic Elector:

STAR Catholic School Division is committed to ensuring a strong connection with Catholic electors in all of its communities. Catholic education is funded through education property taxes, grants and general provincial revenue. As a Catholic elector, you need to be aware of your right to support your Catholic schools through your property taxes. This right provides a vital connection between Catholic separate school boards and you, their electors.

Taxes declared in support of the Catholic separate school division benefit the children we serve. The Constitution Acts of Canada and the Alberta School Act stipulate that individuals who are Catholic must direct their education taxes to Catholic separate school boards where they exist.

To ensure your property taxes are supporting your Catholic separate school, you must declare your school support as "separate" on your annual property assessment notice and tax bill. If a declaration of school support is not filed by a property owner, the property assessment and tax bills show the school support going to the public school division. If your support designation is incorrect, it should be corrected by completing and submitting a School Support Declaration form, obtained from your local city, town or municipal office. A change in school support does not take effect until the following calendar year.

Thank you for advocating for your faith-based schools and your right to support them with your local taxes.

Yours in Catholic Education,

Thalia Hibbs  
Board Chair

### **Catholic Education: Confronting Fiction with Facts**

In the past few weeks there have been questions asked about publicly-funded Catholic Education in Alberta. As President of the Alberta Catholic School Trustees' Association, I would like to offer the following information for clarification:

**Fiction:** It has been suggested that eliminating Catholic Education in Alberta would be easy.

**Fact:** Catholic Education has been operating in Alberta since the 1840's and has held a longstanding, distinct role in Alberta's public education system for all of these years. It is enshrined in the *Constitution of Canada*, Section 93, solidified in the *Alberta Act* 1905 and further supported by the *Alberta School Act*. Alberta Education is currently ranked 5<sup>th</sup> in the world overall in the area of Education and Skills (per the Conference Board of Canada) and Catholic Education in Alberta is proud to be an integral part of this success story.

**Fiction:** Amalgamating Catholic and Public Schools would lead to substantial savings of taxpayer money.

**Fact:** Catholic Education in Alberta serves over 175,000 students (approx. 30 per cent of all Alberta Students) in over 430 schools. The only way to save taxpayer money would be if all 175,000 students simply stop having access to education altogether. There has been no study that has indicated any money would be saved by eliminating Catholic Schools: the same number of students, educated by the same number of staff, driven to school by the same number of busses, maintained in the same number of schools (which the province is currently short of) would be needed. In fact, studies done on the amalgamation of municipalities, health authorities, and schools in other provinces have seen the administration cost increase considerably due to the effects of amalgamation.

**Fiction:** Catholic School Boards never work together with Public School Boards.

**Fact:** The vast majority of Catholic Separate School Boards and Public School Boards do work together collaboratively to actualize efficiencies while respecting each other's differences, through shared bussing, Joint Use Agreements, Joint Purchasing Partnerships for Utilities and other examples. There are even several successful archetypes of shared facilities whereby Catholic and Public Schools operate independent schools in different wings of a building complex with a joint use space in the middle (often a public recreation center or public library.)

**Fiction:** Catholic Education is overly influenced by the church.

**Fact:** Catholic Education is a unique partnership between the school, home and parish. Together this partnership is a close relationship between the faith community and the Church, through locally elected trustee representatives who independently create policy and govern their Boards. It seeks to develop a student's whole person by integrating academic excellence permeated in faith. The central focus of Catholic Education is Jesus Christ.

**Fiction:** Only Catholics can go to Catholic schools.

**Fact:** Catholic Schools are open to all students and families that choose a fully Catholic Christian faith based education experience. As per the Alberta *School Act* Catholic schools must accept all Resident Students (of the same faith) and if there is space and programs must accept Non-Resident students.

**Fiction:** Catholic schools are public schools with a crucifix on the wall and a religion class.

**Fact:** Catholic Schools are distinctive faith communities that nurture the spiritual, academic, emotional and physical wellbeing of students through the integration of the Alberta Education curriculum with gospel values and a sacramental life. Christ is the center of the Catholic School and his presence and teaching permeate the whole of the school day and the whole of the school building.

**Fiction:** Catholic schools teach intolerance and hate towards some groups.

**Fact:** Catholic Education is inclusive of all students and strives to have all children recognize their inherent beauty as children of God. Children are encouraged to see themselves as more than the sum of their parts; more than their race, religion, ability, gender, colour, sexual orientation, etc. This inclusiveness and moral imperative is supported by safe and welcoming school board policies & strong anti-bullying policies.

**Fiction:** Catholic schools do not teach about sexuality and wellness.

**Fact:** Catholic Schools teach comprehensive provincially mandated Health and Wellness Programs which are age appropriate. Programs on sexuality do include abstinence, a transcendent view of the person, and are taught from a Catholic worldview. The goal is to provide students with the information to make good and responsible choices.

**Fiction:** Public schools subsidize Separate schools.

**Fact:** There are two distinct constitutional rights regarding taxation: the right to access the property assessment base for financial support and the right to equity and fairness in funding. Catholic Education is funded through education property taxes, grants and general provincial revenue, exactly the same as public schools. Funds for schools in Alberta are pooled provincially and then distributed to schools based on enrolment numbers. The pooling of funds allows for a balanced approach to allow resources to go where parents choose to send their children to school. Each Alberta student carries funding into the education system of their choice.

Maintaining the current taxation base is a vital connection between school boards and their electors, especially those electors without children in the school system. It provides a mechanism for direct accountability of school board trustees to their electors for the quality of education provided. It provides a clear link between taxation and representation, the most fundamental principal of any democratically elected organization and it further creates a structural interest in the local school board, because of the investment required by the electors in that board.

In closing, I would like to stress that Catholic Education in Alberta has and will continue its proud legacy of cost-effective excellence in teaching within a welcoming, safe and caring faith school environment, honouring the sacred trust of our parents and of our community.

Adriana LaGrange

Dear Notre Dame School,

The City of Leduc, the Leduc Environmental Advisory Board (LEAB) and Communities in Bloom, in partnership with Canadian National Railway (CN), Tree Canada and the Government of Canada, are proud to present 2017 Arbour Day tree planting event. You are cordially invited to attend the Arbour Day event and participate in planting trees with our community volunteers. Arbour Day is a wonderful way to enjoy Leduc's green spaces, while improving them and enhancing them for future generations to also enjoy.

The 2017 Arbour Day will be extra special this year, as we will be celebrating Canada's 150<sup>th</sup> Anniversary. Our goal is to plant over 1000 trees in Caledonia Park to enhance the existing natural area. As part of this celebration, we welcome Elder Jerry Saddleback from Maskwacis Cultural College to share stories and traditional knowledge about First Nations history. A commemorative plaque in honor of this Canada 150 activity will be unveiled at the event.

**Event Details:**

Date: Saturday, May 13, 2017

Time: 11:00 am – 3:00 pm

Location: Caledonia Park, 3206 Coady Blvd. Leduc, AB T9E 7J8  
*Please find a map with driving directions and parking attached to this invitation.*

Volunteers are welcome to enjoy a free snack for participating and a face painter will be on site to make the day special for our volunteers!

Please note that there is no registration required to attend Arbour Day, just simply show up with a shovel and your reusable water bottle! We look forward to your participation!
