Dear Parents:

Please find attached our St. Thomas Aquinas Catholic Schools Request for Administration of Medication/Medical Attention/Medical Alert Forms.

If your child has a **SERIOUS** Medical Alert (i.e.: Allergies, Diabetes, Heart Condition, Epi-pen or are on any continuous medication) please fill in these forms. If you are leaving your child's medication at the office for staff to administer, these forms must be filled in each year with up-dated information.

It is strongly advised by our Leduc Health Nurse that students with Epi-pens carry their Epi-pen in a fanny pack on their person. We must also have these medical forms filled in for any students on Epi-pens. A medical alert bracelet is also strongly advised for any medical condition.

Please provide an up-dated picture of your son/daughter to post in our staffroom with the Medical form. This enables staff to identify students with serious medical conditions.

This medical information is passed on to the 911 emergency services if needed.

Thank you.
